

Elena Martínez Castellanos

Hi, my name is Elena. I'm 15 years old and I was born on 6 April, 2004.

I study in Joaquín Turina and I study quarter of ESO. My favourite subject is history, but I want study nursing, because I like treat and help people.

I live in Sevilla Este, it is a little far from the institute, so I get up very early.

In my spare time, I like hang out with my friends, listen to music and watch romatics films, but my favourite film is Hacksaw Ridge that is about war.

At first I am a little shy, but when I gain confidence I am more open and I like meet new people.

I don't practice any sport, but I love see it. I'm support of Betis, a team of fotball. Sometimes, I watch basketball.

I have a mother, a father and a sister. Their names are Rosario, Mamen for the friends, Jose Luis and Lucía. I also have a dog, her name is África, it was a gift from our friends.

I hope to have a great time on the trip and meet great people.
