

Hey! My name is Rocío. I'm sixteen and I study first year of high school in IES Joaquín Turina. I live in Plaza del Gallo, Seville.

In my family, we are five. My parents, my sister and my brother. My sister is eleven years old and my brother is nine years old, so I am the big sister. Also, we have a dog and her name is Chloe.

I like listening to music, especially singers like Melanie Martinez, Ariana Grande, etc. I love read books as much as watch series or movies on Netflix. My favorite serie is Chilling Adventures Of Sabrina, and my favorite saga is Harry Potter. I love hanging out with my friends too.

I've never done a trip like this, so I'm very excited. I mean, I've traveled before to places like France or Portugal, but never to Greece.

Anyway, I really want to know Greece and its people!

If you want to talk with me, my Instagram is @ronniethewitch

See you!
