

Hello,

My name is Ivan, I'm 17 years old and I study in the High School IES Joaquín Turina.

I have repeated 2 times in high school. I want to pass this year and start to study on the baccalaureate. I would like to study humanities, Greek and Latin.

My hobbies are use the mobile phone(Instagram, WhatsApp, etc), meet with my friends and play football. I don't play in a football team but sometimes I play football matches with my friends. I'm supporter of Sevilla FC SAD, I think that you heard anything of this club because is very famous in all the Europe for win the UEFA Europe League. There you've got some pictures of Sevilla FC.

When you are in Seville, it's most likely that we will stay with my friends so I will introduce you and you will have a good time. In my group of friends there are some who speak English quite well, so for communication you shouldn't worry.

Now I show you others pictures of me and my friends.

This is me and now you will see my friends.

If you want, you can follow me in Instagram my user is: [@__ivaan9](#) and my number is: 645035910
