

## Hello Everybody!

My name's Birgit but my friends call me Biggi. I am fifteen years old and I live on a small farm in a village near Wolfsberg. I live in a pretty big house together with my three brothers, my parents and my grandmother. I live about half an hour away from St. Paul.

## My family

My mother and my father are both farmers, so they work at home and care for our animals. For example, we have cattle, pigs, chickens, sheep and a goat. My eldest brother is working for "Maschinenring" where he can work for many different people. My other two elder brothers are going to school in Styria.

## My hobbies

My hobbies are reading, listening to music, cuddling with my pet cat and playing the piano. My favourite book is the complete collection of all Sherlock Holmes' cases. But I also really like Harry Potter, the Percy Jackson series and Lockwood & co. Another pastime of mine is watching animes or watching YouTube videos on my phone. I also love spending time with my best friend Saphira but I normally just see her at school.

My friends would probably describe me as helpful and nice but I'm also quite introverted. I enjoy talking about the things I like but I'm sometimes too shy to talk to others.
