

WELCOME !

- Hi! My name is Rui Pereira. I'm 15 years old and I live in Oeiras, Portugal. Oeiras is a lovely place with lots of nice people and restaurants with good portuguese food, a very big mall, nice weather and some beaches.

- To be more accurate I live in S. Domingos de Rana which makes the border between Cascais and Oeiras. We have a park, cafés and a little mall too. I live in a T3 appartement that has very nice and quiet neighbours.

- My daily routine is waking up at 6:30 am and then go to school by car with my mom. At school I do the usual stuff, go to classes, hang out with my friends. But what makes this school diferent are the teachers because they truly care about us and our future.

- In my free time I like to hang out with my friends when we can, play videogames, watch movies or series, go to the cinema and listen do some music and chill. My favourite type of music is rock and my favourite game right now is kingdom hearts but I play pc games too.

I HOPE YOU LIKED IT
AND
SEE YOU SOON!!!
