

Afonso Silva – TG 18

My name is Afonso Guedes e Silva.

I'm 15 years old.

I live in Lisbon, in the neighborhood Alvalade.

I live with my mother, Catarina, my stepfather, Rui, and my sisters, Matilde, Joana and Marta.

I have a room for myself and often Marta sleeps in my bedroom

I get up at 8 o'clock on weekdays and later on weekends.

I usually go to school by motorcycle with my stepfather, but in some days I go by bus.

After school I always return to home by bus.

When I return home after school, most of the times I have to study.

After study, I have dinner and sometimes after dinner I play games in my PS4.

I love Sushi dinner.

In the end of the day, I go to sleep.

When I'm at school, I attend classes and in the breaks, I usually go to the bar to eat or drink something.

Sometimes at the end of the classes I go with my friends to the supermarket.

When we have team work to do, we go to the library to make them.

During lunch time, sometimes we play table football.

In my free time I like to play with my Playstation4 several types of games.

Also I 'm going to see football games.
My favourite team is Benfica.

I like to see movies or videos in my celular phone. I prefer horror movies.

I also use my celular phone to see news and to listen to music.

I like to spend free time with my friends.

I don't like to read books very much , instead, I prefer to read in my personal computer things I must read.

Sometimes on weekends I wake up earlier to go to the beach to practice surf.

Surf is one of my favorite sports.
I also like to play football.

I don't care much about fashion or things like that.
