Where do I live?

I live in a town called Oeiras. It's near the capital, Lisbon. It has a beach, a mall, restaurants, train stations, parks and a cinema.

I live in a three story building near a basketball and a tennis court.

My house has tree bedrooms, two living rooms, a kitchen and two bathrooms. It is very spacious.

My favorite space in the house is my bedroom.

My bedroom is not that big but I still love it. I spend most of my time in there, doing all kind of things: listening to music, studying, watching videos on youtube...

Family

I live with my parents, my sister and my parakeets.

We have the tradition of watching tv series together in the weekends.
